

TVPROMPT

Teleprompter PTZ

This system is characterized by the possibility of incorporating robotic cameras in a prompter system.

Three prompter models have been designed for this purpose:
17-inch, 19-inch and 22-inch

TVPROMPT PTZ 17" | TVPROMPT PTZ 19" | TVPROMPT PTZ 22"

This model includes a 19" monitor with customized adaptation, an exclusive AUTOBALANCE system and a compatible structure to convert the equipment into a 6.5 kg (14.33 lbs), 7.5 kg (16.53 lbs) or 9 kg (19.84 lbs) teleprompter respectively.
