

Teleprompter IPAD/T 12-17

TVPROMPT

Smooth reading and professional visualization for productions

Description

- The TVP iPad/T 12-17 is a professional, quick-setup, foldable teleprompter designed to deliver smooth and clear reading in any recording environment. Built from aluminum alloy, it combines lightweight durability and stability, ensuring reliable performance in both studio settings and mobile productions.
- It supports 12"-17" tablets and is compatible with mirrorless cameras, PTZ cameras, professional video cameras, and webcams. Its 340 × 270 mm optical glass provides sharp text visibility without affecting image quality, while the modular design allows precise adjustments in height and distance.
- Ideal for broadcasting, live streaming, corporate videos, and audiovisual productions, the TVP iPad/T 12-17 stands out for its portability, ease of use, and professional accuracy.

Characteristics

- 70/30 beamsplitter glass for maximum clarity and smooth readability.
- Compatible with iPad and tablets up to 17".
- Foldable and portable design.
- Anti-glare hood.
- Adjustable support for DSLR, mirrorless, or video cameras.
- Horizontal and vertical modes.
- Lightweight and durable construction for professional use.
